## TERMS

Our assessments are through the consulting team of registered Psychologists. The team is headed by a registered Psychologist with specialist training to administer all types of assessments which includes Dyslexia and other learning disorders (refer to page 5). The session will take about 2 hours and cost \$995.00 or \$1,075.00 (new fee effective January 1, 2022).

At Dyslexia Australia we are committed to providing affordable assessments through our consulting team of Psychologists. In order to maintain low fees we need to guard against cancellations or no-shows. We require 3 working days notice of change or cancellation. **Please contact us for full details of our change/cancellation policies.**

**A deposit of \$300 is required within 24 hours of booking.** Final payment is due on or before the date of the assessment by direct deposit or credit card (1.9% service fee applies). The responsibility for payment shall remain with the person who booked the appointment. For ease of booking the deposit is collected by Dyslexia Australia and forwarded to the psychologist. **Please contact us for our full comprehensive Policy.**

Reports generally take a **minimum of 25 working days** (5 weeks) to be issued. However, to maintain the integrity of the report, additional time may be required outside of this time frame. Upon completion report will be sent by e-mail. Rush fee will incur an additional fee of \$200.00.
